DNV Exchange

DNV Exchange is the PC and Internet-based class management tool for shipowners, managers and masters that provides reliable, up-to-date information on survey status and reports, certificates and conditions of class. It includes a wealth of other information, tools and services, you may for instance order your surveys online. DNV Exchange is equally suited to shorebased and shipboard use. DNV Exchange is offered as three packages dependent on the information level wanted. The pricing is as follows:
DNV Exchange Basic
— Free of charge for owners/managers of DNV classed vessels.
DNV Exchange Member
— USD 750 per year for use in the owner's office. Further offices at other locations will pay the same rate. Each of the offices is thus treated as separate subscribers.
DNV Exchange Nauticus (web/CD)
— USD 1500 per year per ship for use in the owner's office. Further offices at other locations will pay the same rate. Each of the offices is thus treated as separate subscribers. — An administration fee of USD 250 per ship per year if used onboard.
